In that case, the co-ordinator shall have 20 days to submit the additional information or a new report.

A payment representing the balance of the grant determined in accordance with Article II.17 shall be made to the co-ordinator within 45 days following approval by the Executive Agency of the technical implementation report accompanying the request for payment of the balance. The Executive Agency

ARTICLE II.4 – CONFIDENTIALITY

The Executive Agency and the beneficiaries undertake to preserve the confidentiality of any document, information or other material directly related to the subject of the agreement that is duly classed as confidential, if disclosure could cause prejudice to the other party. The duration of the action might be extended by a period equivalent to the length of the suspension. The beneficiaries must undertake to make the necessary arrangements to ensure that the contractor waives all rights in respect of the Executive Agency under the agreement;
 - f) the beneficiaries must undertake to ensure that the conditions applicable to them under Articles II.1, II.2, II.3, II.4, II.5, II.6, II.10 and II.20 of the agreement are also applicable to the contractor.

Claims for payments to be carried out by the Executive Agency may not be transferred.

In exceptional circumstances, where the situation warrants it, the Executive Agency may authorise the assignment to a third party of the agreement and payments flowing from it, following a written request to that effect, giving reasons, from the co-ordinator in agreement with the co-beneficiaries. If the Executive Agency agrees, it must make its agreement known in writing to the co-ordinator before the proposed assignment takes place. In the absence of the above authorisation, or in the event of failure to observe the terms thereof, the assignment shall not be enforceable against and shall have no effect on the Executive Agency.

In no circumstances shall such an assignment release the beneficiaries from their obligations to the Executive Agency.

ARTICLE II.11 – TERMINATION OF THE AGREEMENT

II.11.1 Termination by the co-ordinator

In duly justified cases, the co-ordinator, in agreement with the co-beneficiaries, may withdraw the beneficiaries' request for a grant and terminate the agreement at any time by giving 60 days' written notice stating the reasons, without being required to furnish any indemnity on this account.

If no reasons are given or if the Executive Agency does not accept the reasons, the agreement shall be deemed to have been terminated improperly, with the consequences set out in the fifth subparagraph of paragraph 5.

II.11.2 Termination of the participation of a beneficiary

In duly justified cases, the co-ordinator may request to terminate the participation of a beneficiary by giving 60 days written notice. The co-ordinator shall include with any such request to the Executive Agency the remaining beneficiaries' proposal to reallocate the tasks of that beneficiary or where relevant to nominate a replacement, the reasons for the termination of the participation and the opinion of the beneficiary whose participation is requested to be terminated.

In duly justified cases, any beneficiary may request the termination of his participation in the agreement. The request must be submitted to the Executive Agency by the co-ordinator by giving 60 days written notice stating the reasons.

The termination of the participation of the beneficiary concerned shall take effect on the date of the Executive Agency's approval. A written additional agreement shall be concluded to make any amendments necessary to adapt the action to the new implementing conditions resulting from the partial termination.

A substantial irregularity consists of any infringement of a provision of an agreement or regulation resulting from an act or an omission on the part of a beneficiary which causes or might cause a loss to the Union budget.

II.11.4 Termination procedure

The procedure is initiated by registered letter, with advice of delivery or equivalent. The co-ordinator shall ensure that all beneficiaries are duly informed.

In the cases referred to in points (a), (b) and (d) of paragraph 3, the co-ordinator, in consultation with the co-beneficiaries, shall have 30 days to submit observations and take any measures necessary to ensure continued fulfilment of the beneficiaries' obligations under the agreement. If the Executive Agency fails to confirm acceptance of these observations by giving written approval within 30 days of receiving them, the procedure shall continue to run.

Where notice is given, termination shall take effect at the end of the period of notice, which shall start to run from the date when notification of the Executive Agency's decision to terminate the agreement or the participation of a beneficiary is received.

Where notice is not given in the cases referred to in points (c), (e), (f) and (g) of paragraph 3, termination shall take effect from the day following the date on which notification of the Executive Agency's decision to terminate the agreement or the participation of a beneficiary is received.

II.11.5 Effects of termination

In the event of termination of the agreement, payments by the Executive Agency shall be limited to the eligible costs actually incurred by the beneficiaries up to the date when termination takes effect, in accordance with Article II.17. Costs relating to current commitments that are not due to be executed until after termination shall not be taken into account.

The co-ordinator shall have 60 days from the date when termination of the agreement takes effect, as notified by the Executive Agency, to produce a request for final payment in accordance with Article II.15.4. If no request for final payment is received within this time limit, the Executive Agency shall not reimburse the expenditure incurred by the

beneficiaries up to the date of termination and it shall recover any amount if its use is not substantiated by the technical implementation reports and financial statements approved by the Executive Agency.

Where termination affects the participation of a beneficiary, only those eligible costs actually incurred by the beneficiary concerned up to the date when termination of his participation takes effect, in accordance with Article II.17 shall be considered eligible. Costs relating to current commitments that were not due to be executed until after termination shall not be taken into account. The request for payment of the eligible costs incurred up to the date when the termination of the participation of the beneficiary concerned takes effect shall be included in the following payment request due according to the schedule laid down in Article I.6.

By way of exception, at the end of the period of notice referred to in paragraph 4, where the Executive Agency is terminating the agreement on the grounds that the co-ordinator has failed to produce the final technical implementation report and financial statement within the deadline stipulated in Article I.5 and the co-ordinator has still not complied with this obligation within two months following the written reminder sent by the Executive Agency by registered letter with advice of delivery or equivalent, the Executive Agency shall not reimburse the expenditure incurred by the beneficiaries up to the date on which the action ended and it shall recover any amount if its use is not substantiated by the technical implementation reports and financial statements approved by the Executive Agency.

By way of exception, in the event of improper termination of the agreement by the co-ordinator, or a beneficiary's participation in the action, or termination by the Executive Agency on the grounds set out in points (e), (f) or (g) of paragraph 3, the Executive Agency may require the partial or total repayment of sums already paid under the agreement on the basis of technical implementation reports and financial statements approved by the Executive Agency, in proportion to the gravity of the failings in question and after allowing the co-ordinator, and where relevant co-beneficiaries concerned, to submit their observations.

ARTICLE II.12 – FINANCIAL PENALTIES

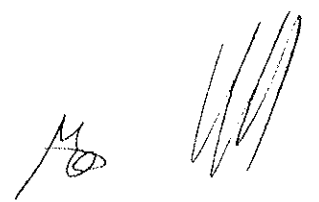

By virtue of the Financial Regulation applicable to the general budget of the European Union, any one or several of the beneficiaries declared to be in grave breach of their obligations under the agreement shall be liable to financial penalties of between 2 % and 10 % of the value of their share of the grant in question, with due regard for the principle of proportionality.

This rate may be increased to between 4 % and 20 % in the event of a repeated breach in the five years following the first. The beneficiary concerned shall be notified in writing of any decision by the Executive Agency to apply such financial penalties.

ARTICLE II.13 – SUPPLEMENTARY AGREEMENTS

II.13.1 Any amendment to the grant conditions must be the subject of a written supplementary agreement. No oral agreement may bind the parties to this effect.

- II.13.2 The supplementary agreement may not have the purpose or the effect of making changes to the agreement which might call into question the decision awarding the grant or result in unequal treatment of applicants.
- II.13.3 Where the request for amendment is made by the co-ordinator, in agreement with the co-beneficiaries, he must send the request to the Executive Agency in good time before it is due to take effect and at all events one month before the closing date of the action, except in cases duly substantiated by the co-ordinator and accepted by the Executive Agency.

PART B – FINANCIAL PROVISIONS

ARTICLE II.14 – ELIGIBLE COSTS

II.14.1 To be considered as eligible costs of the action, costs must satisfy the following general criteria:

- they are incurred during the duration of the action as specified in Article I.2.2 of the agreement, with the exception of costs relating to final reports and certificates on the action's financial statements and underlying accounts;
- they are connected with the subject of the agreement and they must be indicated in the estimated budget annexed to it;
- they are necessary for the implementation of the action which is the subject of the grant;
- they are identifiable and verifiable, in particular being recorded in the accounting records of a beneficiary and determined according to the applicable accounting standards of the country where the beneficiary is established and according to the usual cost-accounting practices of the beneficiary;
- they comply with the requirements of applicable tax and social legislation;
- they are reasonable, justified, and comply with the requirements of sound financial management, in particular regarding economy and efficiency.

The beneficiaries' internal accounting and auditing procedures must permit direct reconciliation of the costs and revenue declared in respect of the action with the corresponding accounting statements and supporting documents.

II.14.2 The eligible direct costs for the action are those costs which, with due regard for the conditions of eligibility set out in Article II.14.1, are identifiable as specific costs directly linked to performance of the action and which can therefore be booked to it direct. In particular, the following direct costs are eligible provided that they satisfy the criteria set out in the previous paragraph:

- the cost of staff assigned to the action, comprising actual salaries plus social security charges and other statutory costs included in the remuneration, provided that this does not exceed the average rates corresponding to the beneficiary's usual policy on remuneration;

The corresponding salary costs of personnel of national administrations are eligible to the extent that they relate to the cost of activities which the

relevant public authority would not carry out if the project concerned were not undertaken;

- travel and subsistence allowances for staff taking part in the action, provided that they are in line with the beneficiary's usual practices on travel costs or do not exceed the scales approved annually by the Commission;
- the purchase cost of equipment (new or second-hand), provided that it is written off in accordance with the tax and accounting rules applicable to the beneficiary and generally accepted for items of the same kind. Only the portion of the equipment's depreciation corresponding to the duration of the action and the rate of actual use for the purposes of the action may be taken into account by the Executive Agency, except where the nature and/or the context of its use justifies different treatment by the Executive Agency;
- costs of consumables and supplies, provided that they are identifiable and assigned to the action;
- costs entailed by other contracts awarded by a beneficiary for the purposes of carrying out the action, provided that the conditions laid down in Article II.9 are met;
- costs arising directly from requirements imposed by the agreement (dissemination of information, specific evaluation of the action, audits, translations, reproduction, etc.), including the costs of any financial services (especially the cost of financial guarantees). Such costs may also include specific costs incurred by the co-ordinator for fulfilling his responsibilities in his capability of the body responsible for the overall management of the action and the co-ordination of the beneficiaries.

II.14.3 The eligible indirect costs for the action are those costs which, with due regard for the conditions of eligibility described in Article II.14.1, are not identifiable as specific costs directly linked to performance of the action which can be booked to it direct, but which can be identified and justified by the co-ordinator or a co-beneficiary using their accounting system as having been incurred in connection with the eligible direct costs for the action. They may not include any eligible direct costs.

By way of derogation from Article II.14.1, the indirect costs incurred in carrying out the action may be eligible for flat-rate funding fixed at not more than 7 % of the total eligible direct costs. If provision is made in Article I.4.2 for flat-rate funding in respect of indirect costs, they need not be supported by accounting documents.

II.14.4 The following costs shall not be considered eligible:

- return on capital;
- debt and debt service charges;
- provisions for losses or potential future liabilities;

- interest owed;
- doubtful debts;
- exchange losses;
- VAT, unless the beneficiary can show that he is unable to recover it according to the applicable national legislation. VAT paid by public bodies is not an eligible cost;
- costs declared by a beneficiary and covered by another action or work programme receiving a Union grant;
- excessive or reckless expenditure;
- contributions in kind.

II.14.5 Not applicable.

II.14.6 By way of derogation from paragraph 3, indirect costs shall not be eligible under a grant for an action awarded to a beneficiary who already receives an operating grant from the Union budget during the period in question.

ARTICLE II.15 – REQUESTS FOR PAYMENT

Payments shall be made in accordance with Article I.5 of the Special Conditions.

II.15.1 – PRE-FINANCING

Pre-financing is intended to provide the beneficiaries with a float.

Where required by the provisions of Article I.5 on pre-financing, the co-ordinator shall furnish a financial guarantee from a bank or an approved financial institution established in one of the Member States of the European Union.

The guarantor shall stand as first demand guarantor and shall not require the Executive Agency to have recourse against the principal debtor (the concerned beneficiary).

The financial guarantee shall provide that it remains in force until the pre-financing is cleared against interim payment(s) or payment of the balance by the Executive Agency to the beneficiaries or, in the absence of such clearing, three months after a recovery is notified to a beneficiary by which the Executive Agency asks him to repay the pre-financing. The Executive Agency undertakes to release the guarantee within the following month.

II.15.2 – FURTHER PRE-FINANCING PAYMENTS

Where pre-financing is divided into several instalments, the co-ordinator may request a further pre-financing payment once the percentage of the previous payment specified in

the provisions of Article I.5 on further pre-financing has been used up. The request shall be accompanied by the following documents:

- a progress report on the technical implementation of the action;
- a detailed financial statement of the eligible costs actually incurred, including a consolidated statement and a breakdown between each beneficiary;
- where required by the above-mentioned provisions of Article I.5, a financial guarantee in accordance with paragraph I;
- any other documents in support of his request for further pre-financing.

The documents accompanying the request for payment shall be drawn up in accordance with the relevant provisions in Article I.6 and the annexes.

II.15.3 – NOT APPLICABLE

II.15.4 – PAYMENT OF THE BALANCE

Payment of the balance, which may not be repeated, is made after the end of the action on the basis of the costs actually incurred by the beneficiaries in carrying out the action. It may take the form of a recovery order where the total amount of earlier payments is greater than the amount of the final grant determined in accordance with Article II.17.

By the appropriate deadline indicated in Article I.6, the co-ordinator shall submit a request for payment of the balance accompanied by the following documents:

- a final report on the technical implementation of the action;
- a final detailed financial statement of the eligible costs actually incurred, following the structure of the estimated budget, including a consolidated statement and a breakdown between each beneficiary;
- a full summary statement of the receipts and expenditure of the action including a consolidated statement and a breakdown between each beneficiary;
- any other documents in support of his request for payment of the balance.

The documents accompanying the request for payment shall be drawn up in accordance with the provisions of Article I.6 and the annexes.

If an external audit of the action's accounts is not required, the co-ordinator and the co-beneficiaries themselves shall certify that the information provided in their request for payment to the Executive Agency is full, reliable and true. They shall also certify that the costs incurred can be considered eligible in accordance with the agreement, that all receipts have been declared, and that the request for payment is substantiated by adequate supporting documents that can be checked.

On receipt of these documents, the Executive Agency shall have the period specified in Article I.5 in order to:

- approve the final report on the technical implementation of the action and the detailed financial statement;
- ask the co-ordinator for supporting documents or any additional information it deems necessary to allow the approval of the technical implementation report and the financial statement;
- reject the documents referred to in Article I.5.3. and ask for the submission of additional information or a new report.

Failing a written reply from the Executive Agency within the time limit for scrutiny indicated above, the report shall be deemed to have been approved. Approval of the report accompanying the request for payment shall not imply recognition of their regularity or of the authenticity, completeness and correctness of the declarations and information they contain.

If additional information or a new report is requested, the time limit for scrutiny shall be extended by the time it takes to obtain this information. The co-ordinator shall be informed of that request and the extension of the delay for scrutiny by means of a formal document. The co-ordinator shall have the period laid down in Article I.5 to submit the information or new documents requested.

Extension of the delay for approval of the report may delay the payment by the equivalent time.

Where a report is rejected and a new report requested, the approval procedure described in this Article shall apply.

In the event of renewed rejection, the Executive Agency reserves the right to terminate the agreement by invoking Article II.11.3(b).

II.15.5 – COSTS OF TRANSFERS

Costs of the transfers are borne in the following way:

- costs of dispatch charged by the bank of the Commission shall be borne by the Executive Agency;
- costs of receipt charged by the bank of a beneficiary shall be borne by the beneficiary; ✓
- all costs of repeated transfers caused by one of the parties shall be borne by the party who caused repetition of the transfer.

ARTICLE II.16 – GENERAL PROVISIONS ON PAYMENTS

II.16.1 Payments shall be made by the Executive Agency in euros. Any conversion of actual costs into euros shall be made at the monthly accounting rate established by the Commission and published on its website for the first day of the month

following the end of the reporting period⁴, unless the Special Conditions of the agreement lay down specific provisions.

Payments by the Executive Agency shall be deemed to be effected on the date when they are debited to the Executive Agency's account.

- II.16.2 The Executive Agency may suspend the period for payment laid down in Article I.5 at any time by notifying the co-ordinator that his request for payment cannot be met, either because it does not comply with the provisions of the agreement, or because the appropriate supporting documents have not been produced or because there is a suspicion that some of the expenses in the financial statement are not eligible and additional checks are being conducted.

The Executive Agency may also suspend its payments at any time if a beneficiary is found or presumed to have infringed the provisions of the agreement, in particular in the wake of the audits and checks provided for in Article II.20.

The Executive Agency shall inform the co-ordinator as soon as possible of any such suspension by registered letter with advice of delivery or equivalent, setting out the reasons for suspension.

Suspension shall take effect on the date when notice is sent by the Executive Agency. The remaining payment period shall start to run again from the date when a properly constituted request for payment is registered, when the supporting documents requested are received, or at the end of the suspension period as notified by the Executive Agency.

- II.16.3 On expiry of the period for payment specified in Article I.5, and without prejudice to paragraph 2 of this Article, the beneficiaries are entitled to interest on the late payment at the rate applied by the European Central Bank for its main refinancing operations in euros, plus three and a half points; the reference rate to which the increase applies shall be the rate in force on the first day of the month of the final date for payment, as published in the C series of the Official Journal of the European Union. This provision shall not apply to recipients of a grant which are public authorities of the Member States of the European Union.

Interest on late payment shall cover the period from the final date for payment, exclusive, up to the date of payment as defined in paragraph 1, inclusive. The interest shall not be treated as a receipt for the action for the purposes of determining the final grant within the meaning of Article II.17.4. The suspension of payment by the Executive Agency may not be considered as late payment.

By way of exception, when the interest calculated in accordance with the provisions of the first and second subparagraphs is lower than or equal to EUR 200, it shall be paid to the co-ordinator only upon demand submitted within two months of receiving late payment.

II.16.4 The Executive Agency shall deduct the interest yielded by pre-financing which exceeds EUR 50 000 as provided for in Article I.5 from the payment of the balance of the amount due to the beneficiaries. The interest shall not be treated as a receipt for the action within the meaning of Article II.17.4.

Where the pre-financing payments exceed EUR 750 000 per agreement at the end of each financial year, the interest shall be recovered for each reporting period. Taking account of the risks associated with the management environment and the nature of actions financed, the Executive Agency may recover the interest generated by pre-financing lower than EUR 750 000 at least once a year.

Where the interest yielded exceeds the balance of the amount due to the beneficiaries as indicated in Article II.15.4, or is generated by pre-financing referred to in the previous subparagraph, the Executive Agency shall recover it in accordance with Article II.19.

Interest yielded by pre-financing paid to Member States is not due to the Executive Agency.

II.16.5 The co-ordinator shall have two months from the date of notification by the Executive Agency of the final amount of the grant determining the amount of the payment of the balance or the recovery order pursuant to Article II.17, or failing that of the date on which the payment of the balance was received, to request information in writing on the determination of the final grant, giving reasons for any disagreement. After this time such requests will no longer be considered. The Executive Agency undertakes to reply in writing within two months following the date on which the request for information is received, giving reasons for its reply. This procedure is without prejudice to the beneficiaries' right to appeal against the Executive Agency's decision pursuant to Article I.9. Under the terms of Union law in this matter, such appeals must be lodged within two months following the notification of the decision to the applicant or, failing that, following the date on which the applicant learned of the decision.

ARTICLE II.17 – DETERMINING THE FINAL GRANT

II.17.1 Without prejudice to information obtained subsequently pursuant to Article II.20, the Executive Agency shall adopt the amount of the final payment to be granted to the beneficiaries on the basis of the documents referred to in Article II.15.4 which it has approved.

II.17.2 The total amount paid by the Executive Agency may not in any circumstances exceed the maximum amount of the grant laid down in Article I.4.3, even if the total actual costs eligible exceed the estimated total eligible costs specified in Article I.4.2.

II.17.3 If the actual eligible costs when the action ends are lower than the estimated eligible costs, the Executive Agency's contribution shall be limited to the amount obtained by applying the grant percentage of Union co-funding per

beneficiary - specified in the table 'Budget by beneficiary' of Annex II, 'Estimated budget of the action' -, to the respective actual eligible costs approved by the Executive Agency per beneficiary.

- II.17.4 The beneficiaries hereby agree that the grant shall be limited to the amount necessary to balance the action's receipts and expenditure and that it may not in any circumstances produce a profit for them.

Profit shall mean any surplus of total actual receipts attributable to the action over the total actual costs of the action. The actual receipts to be taken into account shall be those which have been established, generated or confirmed on the date on which the request for payment of the balance is drawn up by the coordinator for financing other than the Union grant, to which shall be added the amount of the grant determined by applying the principles laid down in paragraphs 2 and 3 of this article. For the purposes of this article, only actual costs falling within the categories set out in the estimated budget referred to in Article I.4.1 and contained in Annex II shall be taken into account; non-eligible costs shall always be covered by non-Union resources.

Any surplus determined in this way shall result in a corresponding reduction in the amount of the grant.

- II.17.5 Without prejudice to the right to terminate the agreement under Article II.11, and without prejudice to the right of the Executive Agency to apply the penalties referred to in Article II.12, if the action is not implemented or is implemented poorly, partially or late, the Executive Agency may reduce the grant initially provided for in line with the actual implementation of the action on the terms laid down in the agreement.

- II.17.6 On the basis of the amount of the final payment determined in this way and of the aggregate amount of the payments already made under the terms of the agreement, the Executive Agency shall set the amount of the payment of the balance as being the amount still owing to the beneficiaries. Where the aggregate amount of the payments already made exceeds the amount of the final grant, the Executive Agency shall issue a recovery order for the surplus.

ARTICLE II.18 – FINANCIAL JOINT RESPONSIBILITY

The beneficiaries agree to be irrevocably and unconditionally, jointly and severally responsible for any amount due to the Executive Agency by one of them which could not be honoured by the latter. The amount due to the Executive Agency will not exceed the maximum value of the contribution that could be granted to the beneficiaries in accordance with Article I.4.3, increased where applicable by interest on late payment.

The beneficiaries are not jointly responsible for financial penalties which could be imposed on any defaulting beneficiary in accordance with Article II.12.

ARTICLE II.19 – RECOVERY

II.19.1 Where an amount, paid by the Executive Agency to the co-ordinator in his capacity of recipient of all payments, is to be recovered under the terms of the agreement, the co-ordinator undertakes to repay the Executive Agency the sum in question, on whatever terms and by whatever date it may specify, even if he has not been the final recipient of the amount due. In the latter case, if payment has not been made by the due date, the Executive Agency reserves the right to recover directly the amount due from the final recipient.

Where such an amount to be recovered under the terms of the agreement was directly paid by the Executive Agency to a beneficiary, or if recovery is justified under Article II.12 of the agreement, the beneficiary concerned undertakes to pay the Executive Agency the sum in question, on whatever terms and by whatever date it may specify.

II.19.2 If the obligation to pay the amount due is not honoured by the date set by the Executive Agency, the amount due shall bear interest at the rate indicated in Article II.16.3. Interest on late payment shall cover the period between the date set for payment, exclusive, and the date when the Executive Agency receives full payment of the amount owed, inclusive.

Any partial payment shall first be entered against charges and interest on late payment and then against the principal.

II.19.3 If payment has not been made by the due date, sums owed to the Executive Agency may be recovered by offsetting them against any sums owed to the concerned beneficiary, in cases where the beneficiary also has a claim on the Union or the European Atomic Energy Community, after informing him accordingly by registered letter with acknowledgment of receipt or equivalent, or, depending on the terms of the Special Conditions, by calling in the financial guarantee provided in accordance with Article II.15.1. In exceptional circumstances, justified by the necessity to safeguard the financial interests of the Union, the Executive Agency and/or the Commission may recover by offsetting before the due date of the payment. The beneficiary's prior consent shall not be required. If the recovery remains unsuccessful under the provisions above, the Executive Agency shall hold all the beneficiaries collectively jointly responsible for the amount due in accordance with Article II.18.

II.19.4 Bank charges occasioned by the recovery of the sums owed to the Executive Agency shall be borne by the concerned beneficiary.

II.19.5 The beneficiaries understand that under Article 299 of the Treaty on the functioning of the European Union, the Commission may adopt an enforceable decision formally establishing an amount as receivable from persons other than States. An action may be brought against such decision before the General Court of the European Union.

ARTICLE II.20 – CHECKS AND AUDITS

- II.20.1 The co-ordinator undertakes to provide any detailed information requested by the Executive Agency and/or the Commission or by any other outside body authorised by the Executive Agency and/or the Commission to check that the action and the provisions of the agreement are being properly implemented. Where the Executive Agency and/or the Commission so wishes, it may request such information to be provided directly by a co-beneficiary.
- II.20.2 The beneficiaries shall keep at the Executive Agency's disposal all original documents, especially accounting and tax records, or, in exceptional and duly justified cases, certified copies of original documents relating to the agreement, stored on any appropriate medium that ensures their integrity in accordance with the applicable national legislation, for a period of five years from the date of payment of the balance specified in Article I.5.
- II.20.3 The beneficiaries agree that the Executive Agency may have an audit of the use made of the grant carried out either directly by its own staff or by any other outside body authorised to do so on its behalf. Such audits may be carried out throughout the period of implementation of the agreement until the balance is paid and for a period of five years from the date of payment of the balance. Where appropriate, the audit findings may lead to recovery decisions by the Executive Agency and/or the Commission.
- II.20.4 The beneficiaries undertake to allow Executive Agency staff and outside personnel authorised by the Executive Agency and/or the Commission the appropriate right of access to sites and premises where the action is carried out and to all the information, including information in electronic format, needed in order to conduct such audits.
- II.20.5 By virtue of Council Regulation (Euratom, EC) No 2185/96 and Regulation (EC) No 1073/1999 of the European Parliament and the Council, the European Anti-Fraud Office (OLAF) may also carry out on-the-spot checks and inspections in accordance with the procedures laid down by Union law for the protection of the financial interests of the European Union against fraud and other irregularities. Where appropriate, the inspection findings may lead to recovery decisions by the Executive Agency and/or the Commission.
- II.20.6 The Court of Auditors shall have the same rights as the Executive Agency and the Commission, notably right of access, as regards checks and audits.
