

Dear Partners,

On behalf of the Hocare2.0 project we are happy to invite you to **2nd Open HoCare2.0 Conference!**

We bring you practical examples from 7 countries of how the co-creation process helps develop innovative products & services for home care.

Our population is ageing, therefore, there is an increasing need for digitalization of the health & social care processes. Join us to learn about the latest news, innovations, projects and best practices from Europe.
